RE: Becoming an America's Promise Alliance Partner

America's Promise Alliance is the nation's largest partnership organization dedicated to improving the lives of young people. Through the collaborative work of our partner organizations, we are committed to providing the key supports – or Five Promises – for all children, especially the most vulnerable. The Five Promises include:

- Caring adults
- Safe Places
- A Healthy Start
- An Effective Education
- Opportunities to Serve Others

We appreciate your interest in joining the Alliance and look forward to working with you on behalf of America's children. Please complete this document and return it to the Alliance at the fax number indicated above.

America's Promise Alliance Commitment

_____ (organization name) shares the belief that if America's children and youth receive the Five Promises, they will have the opportunity to realize their own human potential and be prepared for college, work, and life.

We support the Alliance's Grad Nation goal of mobilizing America to end the dropout crisis and ensuring that high school graduates are prepared for college and a 21st century career. We share the Alliance belief that by working across sectors at the national, state, and local levels; mobilizing communities to bring the fundamental supports to our most vulnerable young people; and aggressively supporting education reform we can help end the high school dropout crisis and transform the life of every child.

Our programs and services can have an impact on the following Grad Nation campaign national indicators and/or the ultimate goals of increased high school graduation and post-secondary education (select all that apply):
